

Scheme for assistance for  
Mini-Cluster Development

Government of Gujarat  
Industries and Mines Department  
Resolution No. BJT/102020/2808/CH  
Sachivalaya, Gandhinagar  
Dated: 02-08-2021

**Preamble:**

Gujarat is the most industrialized State in India and has been recognized nationally and globally for offering conducive business ecosystem that is supported by ease of doing business and state-of-the art infrastructure. With a vision to give additional thrust to "Atmanirbhar Bharat", the New Gujarat Industrial Policy 2020 is being introduced with added focus on key thrust sectors, strengthening integrated value chains, innovation, and research.

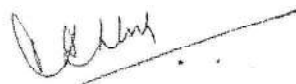

In recent times, various State Governments have adopted the cluster development approach as a key strategy for enhancing the productivity and competitiveness as well as capacity building of Micro and Small Enterprises (MSEs) in the State. 'Cluster' hereby can be defined as - a group of enterprises located within an identifiable and as far as practicable, contiguous area producing same / similar products/ services.

**Objectives of Mini Cluster Development Programs:**

- (a) To encourage the sustainable growth of MSEs by addressing common issues of MSEs in a cluster such as up gradation of technology, skills and quality, market access, access to capital, etc.
- (b) To set up common facilities centers (CFCs) e.g. for testing, design, R&D training center, effluent treatment, complementing production processes, etc.
- (c) To enable capacity building of MSEs for common supportive action through formation of self-help groups, Common Interest Groups, Consortia, Formation and /or upgradation of associations, etc.

**Need for Mini Cluster Development Scheme:**

Mini Cluster Development scheme of the state is on the lines of Government of India's scheme of MSE-CDP (Micro and Small Enterprise Cluster

Development Programme) for the development of industrial clusters. As MSE-CDP caters mainly to larger industrial cluster with on average 20+ MSE enterprises and having less than that MSE clusters are generally left behind in taking advantage of such schemes.

Hence Mini-Cluster Development Scheme of the state is focused on smaller industrial units of the state to promote their growth even in small clusters of 10+ units with fast track implementation process, financed and managed by State Government.

Under the scheme, the Government will help micro and small units to set up common facilities centers (for testing, design, R&D, training center, effluent treatment, complementing production processes, common logistics center, common raw material bank/sales depot etc.), offering up to 80 or 90 per cent of the project with maximum of ₹ 4.0 or 4.5 crores. In this process, the State Government contributes up to 90 per cent to benefit the MSEs (Micro and Small Enterprises) and ensure fast track implementation of the Programme.

#### **Resolution:**

In view of the strategy, the Government is pleased to introduce a "Scheme for assistance to Mini-Cluster Development" which will remain in operation for a period of 10 years from date of issuance of this resolution.

#### **1.0 Definition:**

- (a) "Micro enterprise" an enterprise, which satisfies the conditions of Micro Enterprise as per the definition under the MSMED Act, 2006 of the Government of India, as amended from time to time, and having acknowledgement with respective District Industries Centre
- (b) "Small enterprise" an enterprise, which satisfies the conditions of Small Enterprise as per the definition under the MSMED Act, 2006 of the Government of India, as amended from time to time, and having acknowledgement with respective District Industries Centre
- (c) "CFC" Common Facilities Centre Creation of tangible "assets" like Testing Facility, Design Centre, Production Centre, Effluent Treatment Plant, Training Centre, R&D Centre, Raw Material, any other need based facility as per the guideline of MSE CDP Scheme of Government of India.
- (d) "Mini Cluster" The Mini cluster will be recognized having critical mass of

a minimum 10 Micro & Small enterprises, including in the manufacturing of the same product or its related products and located within the radial distance of 50 km or in the same block(Taluka). The distance criteria of cluster can be relaxed by the State Level Implementing Committee in respect of certain sectors having regard to the managerial and technical competence, size and nature of the Enterprise

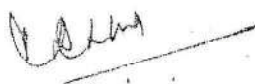

- (e) "Project cost" Project cost means cost of project having investment in gross fixed capital investment in land(upto 25% of land cost as per Jantri rate) , working capital , raw material(seasonal, perennial), building and plant & machinery.
- (f) "Special Purpose Vehicle (SPV)" can be any non-profit legal entity / section 8 company/ trust / non-governmental organization (NGO). Minimum 10 MSE Cluster enterprises to form Special Purpose Vehicle (SPV) to be registered as Legal Entity will be considered under this scheme and the SPV should have 50% and more Micro enterprises.
- (g) "Project Management Unit (PMU)" is a management and monitoring agency for facilitating formation of various proposals & their implementation including concurrent monitoring of this scheme of Mini-cluster.

## 2.0 Eligibility Criteria

Applicable to Micro and Small enterprises, Farmers/Agariya (doing forward integration of products) involved in manufacturing activity forming an SPV with a minimum 10 enterprises in same or similar sector located within an identifiable and as far as practicable, contiguous area with no upper number with a project cost upto ₹ 5 Crore. SPV should be as per definition with eligible activities mentioned under this scheme.

### 2.1 Eligible Activities under the scheme

- (a) Hard intervention
  - (i) Common Facilities Center
  - (ii) Creating common marketing facilities and common branding.
  - (iii) Development of common facilities such as raw material or finish product warehouse, testing laboratory, tool room facilities, capacity building.

- (iv) Creating information data bank for market intelligence and improvement of productivity
- (v) Technology up gradation for manufacturing process including quality improvement with assistance from national or international R&D institution/University.
- (vi) Activities towards environment protection as well as Common water conservation system
- (vii) Common energy and water consumption saving facilities
- (viii) Common products display centre, trade centre and other infrastructure activities.
- (ix) Any other activities related to improvement of quality & productivity, marketing and cost control measures as approved by the committee.
- (x) Any other need-based facilities/ activities decided by committee.

(b) Soft intervention

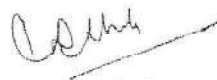

- (i) Seminar and Workshop
- (ii) Training Activities
- (iii) Counselling and trust building sessions
- (iv) Exposure visits to other clusters [National and International (Subject to approval from State Level Implementation Committee)]
- (v) MSME registration and any other need-based facilities
- (vi) Support for product design including import of technical knowhow.
- (vii) Any other need-based facilities/ activities decided by committee.

Soft interventions only applicable of those activities which are part of project and hard interventions.

### 3.0 Quantum of Assistance:

#### 3.1 Hard Intervention: Assistance for upto ₹ 5 Crores project

##### (a) Assistance

Sr. No	Eligibility	Quantum of Assistance for CFC from Government of Gujarat	Contribution of SPV	Quantum of Assistance for DPR
1	General Category Units Micro and Small Enterprises	80% of state assistance upto ₹ 4.0 Crore	20%	Upto ₹ 2.5 lakhs
2	50% and above SC/ST owned Micro and Small Enterprises, Farmers / Agariyas (doing forward integration of products)	90% of state assistance upto ₹ 4.5 Crore	10%	Upto ₹ 2.5 lakhs
3	50% and above Women owned Micro and Small Enterprises, Farmers / Agariyas (doing forward integration of products)	90% of state assistance upto ₹ 4.5 Crore	10%	Upto ₹ 2.5 lakhs

- (b) SPV has to arrange and pay for Land and to arrange working capital from its own resources/ bank
- (c) In case of existing land and building, cost of land and building shall be decided after preparation of valuation report. Cost of land & building can also be SPVs contribution in the project.
- (d) CFC can be set up on leased premises with minimum 15 years' irrevocable lease agreement by SPV

### 3.2 Soft Intervention (SI) Programme

Soft interventions consist of activities mentioned in 7(b) of this scheme.

- (a) Maximum limit of ₹ 10 Lakhs per cluster which includes State's grant @ 90% of total cost of Soft Intervention.
- (b) Contribution of beneficiaries (SPV) should be at least @10% of cost of Soft interventions.

### 4.0 Time Period (Maximum) for implementation:

- (a) For Soft Interventions: 18 months

(b) For Hard Interventions (CFCs): 24 months

The duration would be counted from the approval of the project by State level implementation committee. The committee on its discretion can extend the implementation duration of the project on the basis of justification of SPV

#### 5.0 Project Management Unit (PMU):

Considering the vertical and horizontal spread of micro and small enterprises and the need for very extensive project development efforts, especially for industrially backward regions, office of MSME Commissionerate, Government of Gujarat, may appoint competent Project Management Unit (PMU) /Executive for facilitating formation of various proposals & their implementation including concurrent monitoring of the scheme. PMU/Executive would assist MSME Commissionerate, Government of Gujarat in efficient and speedy implementation of the scheme. The PMU/Executive shall report directly to the Office of MSME Commissionerate, Government of Gujarat. Service charges for the PMU/Executive shall be paid from within the approved budget outlay of the scheme.

The PMU/Executive will have the following responsibilities:

- (i) Sensitization and awareness creation about the scheme.
- (ii) Create database of Clusters across the state.
- (iii) Identification of potential clusters, diagnosis to identify the need for interventions and preparation of preliminary Project report for the identified clusters.
- (iv) Assist state government/ industry associations/ groups of entrepreneurs/ other stakeholder/ agencies in conceptualizing projects and preparing comprehensive proposals/DPRs.
- (v) Assist the identified entrepreneurs in establishment and structuring the project specific SPV.
- (vi) Assist office of MSME Commissionerate, Government of Gujarat in examining the proposals to be placed before Project Steering Committee for recommending the same for approval.
- (vii) Assist SPVs in selection of agencies/experts for various services and in developing suitable operational framework for CFC.
- (viii) Assist in periodic monitoring of completed and ongoing projects and disbursement of funds.
- (ix) Assist in periodic monitoring of completed and ongoing projects in

order to ensure financial and organizational sustainability of SPVs and CFCs.

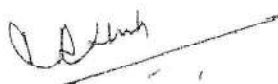

- (x) Develop strategy for creating coordinated approach in promoting MSME Clusters amongst another department.
- (xi) Development of strategy for concurrent evaluation and monitoring of scheme.
- (xii) Provide need based advisory services to the MSME Commissionerate, Government of Gujarat and assist in strategy formulation for effective implementation of the scheme.
- (xiii) Any other activity related to implementation of scheme.

#### 6.0 Procedure:

- (a) Prescribed application form will be made available on the website of MSME Commissionerate
- (b) Application will be scrutinized by the Office of the MSME Commissionerate as per the given checklist and a copy of Detailed project report (DPR) shall be sent to concerned DIC simultaneously; after the receipt of application.
- (c) Agenda is to be prepared after the scrutiny of the application for the DPR.
- (d) SPV/ Legal entity for SPV will be called for presentation before the State Level Implementation Committee (SLIC).
- (e) MSME Commissionerate will execute and supervise the project.
- (f) After approval of DPR, Mini Cluster and PMU will directly by coordinated for any further procedures.
- (g) The MSME Commissionerate will issue sanction letter based on the approval of the SLIC.
- (h) PMU will carry out all exercise up to placement of order as per GR and thereafter support project technically up to its completion and will monitor and supervise the project.
- (i) SLIC will monitor and supervise the implementation of the project

#### 7.0 Release of Fund:

- (a) Funds would be released in three/four installments to the PMU based on

physical progress, actual expenditure incurred and requirement of funds for the project.

- (b) Once the plant & machinery are approved, the same would not be considered for changes; unless they switch to higher version or adopt new technologies with due approval from MSME Commissionerate. Any escalation in the cost of project above the sanctioned amount, due to any reason will be borne by the SPV.
- (c) Contribution by the SPV or the beneficiaries should be upfront. However, State Government may release their complete share either in one installment or proportionately in the ratio of 50:40:10. In case of high cost of machinery which exceeds the initial 50% of the approved cost, then on case to case basis and of approval of SLIC the ratio might be changed.
- (d) PMU should submit request for 1st installment of GoG (50%) grant after submitting proof of release of contribution from SPV, verification report (signed by PMU, SPV), undertaking, component wise expenditure statement as per approval, certified by CA and certificate form PMU.
- (e) Next installment would be released only after verification of the expenditure of the previous installment to be certified by CA and PMU.
- (f) On the utilization of 1st installment of GoG grant, PMU should submit request for 2nd installment of GOG grant (40%) along with Utilization Certificate in respect of utilization of 1st installment of grant, verification report (signed by PMU, SPV), undertaking, component wise expenditure statement certified by CA.
- (g) On completion of project, PMU should submit request for Final installment of GoG grant, along with Completion Report (signed by PMU & SPV), Utilization Certificate (w.r.t previous installment of GoG grant), proof of utilization of contribution made by SPV, undertaking, component wise expenditure statement certified by CA.

#### 8.0 Terms and Conditions:

- (a) Detailed Project Report (DPR)
  - (i) Detailed Project Report (DPR) for one cluster should be prepared within a period of 3 months, unless extended with the approval of MSME Commissionerate.
  - (ii) DPR should preferably be prepared by the end users/CA/Financial

institutions and other agencies should only facilitate in preparation of reports.

(b) Special Purpose Vehicle (SPV)

- (i) It is necessary to form an SPV before approval of setting up and running the proposed CFC.
- (ii) There should be a minimum of 10 MSE cluster units serving as members of the Special Purpose Vehicle (SPV). There is no ceiling on the maximum number of members.
- (iii) Contribution by the SPV or the beneficiaries' share should be made upfront.
- (iv) If SPV is unable to run the SPV then MSME Commissionerate can hand over the operations of SPV to other entity.

(c) Common Facilities Centre

- (i) The CFC may be utilized by the SPV members and as also others in the cluster.
- (ii) The CFC should be operationalised within two years from the date of final approval, unless extended with the approval of SLIC. In case of delay there would be 10% deduction in the share of state government.
- (iii) Escalation in the cost of project above the sanctioned amount, due to any reason, will be borne by the SPV.
- (iv) SPV can fix the user charges in consultation with GOG/PMU to make itself sustainable.
- (v) If SPV is unable to run the CFC, then SLIC would take the possession and initiate the process of handover of CFC to another SPV/Association.

(d) General

- (i) Funds will be released in two/three instalments (after final approval) depending upon the implementation plan, requirements of funds.
- (ii) Project cost should be upto ₹ 5 crore. Higher project cost should be considered subjected to the condition that the Government's share would be restricted to 80-90% of the ₹ 5 crore whichever is applicable as per the quantum of assistance under hard intervention section.

- (iii) The cluster can avail the benefits under cluster schemes of Government of India. In any case the total quantum (State + Central) shall not exceed 80-90% of the total investment.
- (iv) Detailed guidelines of this government resolution would be shared separately.
- (v) Nodal officer for this scheme would be appointed from MSME Commissionerate.
- (vi) External experts would be appointed for a project who would give opinion about latest technology/machinery/practices, their honorarium would be fixed by SLIC.

(e) Interpretation of Scheme

State level Implementation Committee is authorized for interpretation of any provision and to give clarification / decision with reference to any provision under this resolution, keeping in view the objective of the scheme and it will be final and binding to all the concerned.

**9.0 State Level Implementation Committee:**

A committee (State Level Implementation Committee-SLIC) consisting of following members is constituted for approval of cluster under this scheme for Mini Cluster development.

1	Commissioner MSME	Chairperson
2	Joint/Deputy Secretary, Industries and Mines Department	Member
3	Financial Advisor (Industries), Finance Department	Member
4	Deputy Commissioner of Industries (Incentive)	Member
5	General Manager, District Industries Center (Respective District)	Member
6	Expert from related field	Member
7	Any Invitee	Member
8	Joint Commissioner of Industries (Development)	Member Secretary

**10.0 Budget Provision:**

The Expenditure on this account will be met from the sanctioned grants of

the respective financial year under the following Budget Head:

Budget	Demand No	: 49
Head:	Major Head	: 2851 - Village and Small Industries
	Sub Major Head	: 00
	Minor Head	: 102 - Small Scale Industries
	Sub Head	: 19 - Schemes of MSME Commissionerate

This issues with the concurrence of Finance Department vide note dated 02-07-2021 on this department file of even number.

By order and in the name of Governor of Gujarat,

(Manish Shah)

Deputy Secretary to Government  
Industries and Mines Department

Copy to:

1. Principal Secretary to Hon'ble Governor of Gujarat\*
2. Additional Chief Secretary to Hon'ble Chief Minister
3. Personal Secretary to all Hon'ble Ministers
4. Advisor to Hon'ble Chief Minister
5. Joint Secretary to Chief Secretary
6. Additional Chief Secretary, Finance Department
7. Additional Chief Secretary, Industries and Mines Department
8. MSME Commissioner, Gandhinagar
9. V.C & M.D., G.I.D.C., Gandhinagar
10. C.E.O., GIDB, Gandhinagar
11. Accountant General Rajkot/Ahmedabad
12. Computer Cell, Industries and Mines Department
13. Select file

\*By letter

## Mini Cluster Scheme of Government of Gujarat

### Format of Application Form

#### Basic Details

1. Name of the Cluster:
2. Location of cluster (Units should be within 50 kms of radius):
3. Nature of activity and products of the cluster:
4. Number and size of units in cluster:

Sr No	Micro	Small	Total	General	SC	ST	Women
No of Units (Approximately)							

#### Eligibility as per guidelines of Mini-Cluster scheme

1.
 

Hard Intervention Comments (Put ✓ mark any one)	
If General Category Units Micro and Small Enterprises, 80% of state assistance up to INR 4.0 Crore	
If 50% and above SC/ST owned Micro and Small Enterprises, farmers (doing forward integration of farm products), 90% of state assistance up to INR 4.5 Crore	
If 50% and above Women owned Micro and Small Enterprises, farmers (doing forward integration of farm products) 90% of state assistance up to INR 4.5 Crore	

2. Cost of project having investment in gross fixed capital investment in land (up to 25% of land cost as per Jantri rate), working capital, raw material (seasonal, perennial), building and plant & machinery as following:

Capital investment in land (in INR) (Applicable Cost under this scheme (25%))	
Working Capital (in INR)	
Raw Material (seasonal, perennial) (in INR)	
Building (in INR)	
Plant & machinery (in INR)	
Total Cost	

3. In case existing land and building is provided by stakeholders, the cost of land and building will be decided on the basis of valuation report prepared by an approved agency of Central/State Govt. Departments/Financial institutions/Public Sector Banks. (Give Details):
4. CFC can be set up in leased premises, lease should be in the name of SPV. However, the lease should be legally tenable and for a minimum duration of 15 years. (invariable) (Give Details):

5. Escalation in the cost of project above the sanctioned amount, due to any reason, will be borne by the SPV. The State Government shall not accept any escalation of any CFC. (Give Details of the increase in cost escalation should be provided):

#### Details of SPV

1. Type of SPV Registered: Non-profit legal entity / Section 8 Company/ Trust /Non-governmental organization (NGO) (Trust to be formed exclusive for the cluster and no other activity should be allowed) (Give Details):
2. Name of SPV:
3. Address of SPV:
4. Number of cluster units agreed to join as members of the Special Purpose Vehicle (SPV).  
(There is no ceiling on maximum number of members but should be a min. of 10 MSEs in SPV)

Micro (50% and more should be present)	
Small (less than 50% of the total units)	
Total Units	

Give details in following Format:

Sr. No.	Name of Unit	Type of Unit (Micro/ Small)	Name of Entrepreneur With Personal Aadhaar No.	Category (General, SC, ST)	Contact Number & E-mail ID	Udyam Number/ Udyog Aadhaar No.	Address of Unit	Product

5. Provide share holding pattern of SPV members has been provided?  
( No single unit should hold more than 10 percent in the equity capital (or equivalent capital contribution) of the SPV ) Give details in below format

Sr. No.	Name of Unit	Name of Entrepreneur	Udyam Number/ Udyog Aadhaar No.	Amount in Rs.	% of shareholding of the SPV (Should be less than 10% for an individual unit)*
*the % should not increase beyond 10% and cannot be transferred to any other person or family member					

6. Registration details of SPV:
7. Appointed Contact person for SPV (With Name Address Contact No & Email)
8. Date of formation of SPV:
9. No. of MSE Members in SPV (Give details in below Format):

Name of the Office bearers of the SPV					
Age (years) with Aadhaar No					
Relationship with the chief promoter					
Experience in what capacity/industry/ years					

10. Authorized share capital:
11. SPV's Project specific A/c in schedule bank (Bank Name, Bank Address, Bank Account No, Bank IFSC Code) :
12. Particulars of previous assistance from financial institutions / banks - If SPV is new, it can be indicated as not applicable (Give Details):
13. Pending court cases initiated by other banks/FIs, if any -- If SPV is new, it can be indicated as not applicable (Give Details):

#### Details of CFC

1. Brief particulars of the proposal (Give following details)

Name of applicant	
Contact details	
CFC Registered address	
CFC Office address	
CFC Activities proposed	

2. Brief of the project (Give following details)

Sector for which CFC is proposed to be set up	
Cluster and its products, future prospects of products	
Backward and forward linkages	
*Additional Details to be added as annexure	

3. Basic data of cluster (Give following details)

Micro Enterprise Units (should be 50% and more)	
Small Enterprise Units (should be Less than 50%)	
General category Units	
SC category Units (In case of applying of SC benefit, SC should be 50% and more)	
ST category Units (In case of applying of ST benefit, ST should be 50% and more)	
Women category Units (In case of applying of Women benefit, Women should be 50% and more)	
Total (Minimum 10 Micro and Small Enterprise Units)	
Employment	
Proposed Turnover (Before & after operational)	
Proposed exports	

4. Management Set-up, to indicate details regarding who will be the main persons involved in running of CFC, its operations etc. (if decided, more details to be added as annexure)
5. Whether proposed machinery for CFC is advanced (at present) and adequate to fulfill the existing & near future needs of the cluster? (Give following details)

Technical details of the Machinery	
Cost of the Machinery	
Future proofing of the Machinery	Yes/No
How it is advanced w.r.t. current Machinery	Details

6. Whether SPV members will be able to utilize 60% of proposed production capacity of CFC? (Details to be attached with this application form):
7. Whether Technical viability, user charges and cost of machinery are ascertained? (Details to be attached with this application form):
8. Management and shareholding details (Give details in below Format):

Sr. No.	Post	Name of Entrepreneur	% of shareholding of the SPV (Should be less than 10% for an individual)	Amount of Contribution

9. Technical Aspects (Give following details)

Scope of the project (including components/ sections of CFC)	
Locational details and availability of infrastructural facilities	
Technology	
Raw materials / components	
Utilities (Power & Water)	
Effluent disposal	
Manpower	

10. Proposed Implementation Schedule (with Start Date & completion Date) (Give following details)

Implementation Schedule	Start Date	Completion Date
Proposed Sanction of Grant from Government of Gujarat		
Proposed Permission from Pollution Control Board (if applicable)		
Proposed Site Development		
Proposed Building up-keep		
Proposed Sanction of power connection		
Proposed Placement of order to machinery/ equipment supplier		
Proposed Supply of machinery/ equipment by suppliers		
Proposed Installation of machinery/ equipment at site		
Proposed Trial Run		
Proposed Commercial Production		

11. Project components cost (with Amount)

Content	Description	Amount
Cost of Land and Building		
Cost of Plant & Machinery including Installation, Taxes/duties, etc.		
Cost of Misc. fixed assets		
Cost of Preliminary expenses		
Cost of Pre-operative expenses		
Cost of Margin money for Working Capital		
Cost of Contingency Provisions		
Total Cost		

12. Details of Land, Site Development and Building & Civil Work :

13. Cost of Proposed Means of Financing (with Percentage & Amount)

Sr. No.	Particulars	Percentage	Amount in lakhs
1	SPV contribution	10% or 20%	
2	Grant-in-aid from Govt. of Gujarat	90% or 80%	
	Total		

14. Cost of User Charges (user charges should be inclusive of wear and tear of machinery and those machinery which can become obsolete in future, these charges should make the unit sustainable in a long run ) :

15. Pollution control (GPCB, if required) :

16. Favorable and Risk Factors of the project (SWOT analysis): (Give details Separately)

17. Risk Mitigation Framework: Key risks during the implementation and operations phase of the Project and the mitigations measures thereof could be: (Give details Separately)

**Financial Economic Viability:**

Give details in following Table (Rs. in lakh)

S.No.	Particulars	FY 1	FY 2	FY3	FY4	FY5
1	Gross Block in land and building					
2	Net Block					
3	Capital					
4	Reserves and Surplus					
5	Income					
6	Gross profit					
7	Depreciation					
8	Profit after tax					

### Projected performance of the cluster

Projected performance of the cluster after proposed intervention (in terms of production, domestic sales / exports and direct, indirect employment, etc.). The projected revenue of SPV is based upon the following major assumptions:

	Before Intervention	After Intervention
Particulars	Qty. / Outcome	Qty. / Outcome
Units		
Production		
Turnover		
Profit		
Quality & Certification		
Any others		

Details of land (in case of lease):

Building deposit		Remarks
Rent		
Total		

Plant & Machinery:

Sr. No.	Machine name	Qty.	Amount	GST	Total	Remarks
Total						

Capacity of Machines: (Give Details)

Fixed assets.

Sr. No.	Particulars	Qty.	Unit cost	Amount	Remarks

Preliminary expenses:

Preliminary expenses		Amount	Remarks
1	DPR preparation charges		
2	Technical Charges		
3	SPV Registration Charges		
4	Expert/Consultation charges
